CORRIGENDUM

Cilostazol Could Ameliorate Platelet Responsiveness to Clopidogrel in Patients Undergoing Primary Percutaneous Coronary Intervention

Jang-Young Kim, MD; Kyoungchoon Lee, MD; Myungsang Shin, MD; Minsoo Ahn, MD; Hyunmin Choe, MD; Byung-Su Yoo, MD; Junghan Yoon, MD; Kyung-Hoon Choe, MD; Seung-Hwan Lee, MD

(Circ J 2007; 71: 1867 – 1872)

The publisher would like to point out to readers at that Hyunmin Choe’s position was incorrect, and Wonju College of Medicine, Yonsei University should be changed into Ilsan Paik Hospital, Inje University College of Medicine.
