CORRIGENDUM

Incremental Prognostic Value of Stress/Rest Gated Perfusion SPECT in Patients With Coronary Artery Disease – Subanalysis of the J-ACCESS Study –

Akiyoshi Hashimoto, MD; Tomoaki Nakata, MD; Takeru Wakabayashi, MD;
Hideo Kusuoka, MD; Tsunehiko Nishimura, MD

(*Circ J* 2009; **73**: 2288–2293)

The authors apologize for an error in reference 5. The corrected reference is given below.

Incorrect:

5. Shinro M, Nakajima K, Horie M, Nakae I, Nishimura T. Prognostic value of normal stress myocardial perfusion imaging in Japanese population: A study based on the J-ACCESS Study. *Circ J* 2008; **72**: 611–617.

Correct:

5. Matsuo S, Nakajima K, Horie M, Nakae I, Nishimura T. Prognostic value of normal stress myocardial perfusion imaging in Japanese population: A study based on the J-ACCESS Study. *Circ J* 2008; **72**: 611–617.
