Retraction

The following articles have been retracted by the Editorial Board of *Experimental Animals*, because some parts of their contents were published elsewhere.

Title: Response of cortical and cancellous bones to mild calcium deficiency in young growing female rats: a bone histomorphometry study

Authors: Jun IWAMOTO, Tsuyoshi TAKEDA, Yoshihiro SATO, and James K. YEH

Experimental Animals, 53(4), 347–354, 2004.

Title: Preventive effects of risedronate and calcitriol on cancellous osteopenia in rats treated with high-dose glucocorticoid

Authors: Jun IWAMOTO, Azusa SEKI, Tsuyoshi TAKEDA, Yoshihiro SATO, Harumoto YAMADA, Chwan-Li SHEN, and James K. YEH

Experimental Animals, 55(4), 349–355, 2006.

Title: Additive effect of vitamin K₂ and risedronate on long bone mass in hypophysectomized young rats

Authors: Jun IWAMOTO, Tsuyoshi TAKEDA, Yoshihiro SATO, and James K. YEH

Experimental Animals, 56(2), 103–110, 2007.
