Research Papers

YASUDA, T., M. SHIYOMI and S. TAKAHASHI Differences in Spatial Heterogeneity at the Species and Community Levels in Semi-natural Grasslands under Different Grazing Intensities 101-108

HAM, Y. S., M. OKAZAKI, I. S. CHOI, Y. YAGASAKI, Y. KUROKAWA and S. SUZUKI Inorganic and Organic Nitrogen Dynamics in Grassland Ecosystem in Tsukui Region of Central Japan 109-116

ELAWAD, S., H. KUMAGAI and K. MITANI Measurement and Estimation of Changes in Nutrient Composition and Nutrient Losses during Hay and Silage Making in Field Curing 117-124

KASUGA, S. and N. INOUE Relationships between the Yield Loss and the Resistance to Sheath Blight (Rhizoctonia solani Kühn) in Sorghum 125-128

SUGIYAMA, S. and T. YAMADA Variation in Nuclear DNA Content in Natural Populations of Orchardgrass (Dactylis glomerata L.) in the Eastern Part of Hokkaido, Japan 129-133

YONEMARU, J., S. HIGUCHI and T. MATSUMURA Morphological Variations in the White Clover Population Collected from the Northern-Tohoku Region 1. Population differences in leaflet shapes and sizes as quantified by image analysis 134-140

DAMOTO, R., K. SAKAI, S. SHIBUSAWA and A. SASAO The White Clover-Winter Weed System Competition Dynamics -The difference of white clover preceding crop ground and sweet corn preceding crop ground- 141-148

TOKUSA, M., K. TAJIRI, K. MURAKAMI, M. SHIMOJO and Y. MASUDA Effects of Growth Temperature and Cutting Height on Regrowth of Tropical Forage Legume Phasey Bean (Macroptilium lathyroides (L.) Urb.) 149-157

AORIGELE, K. TAKEDA, K. MATSUI and T. KYUMA Influences of Pest Flies on Grooming, Grazing and Resting Behaviour in Grazing Cattle in Summer 158-162

TANAKA, O. and M. SHINODA A Method for Sampling Round Bales and an Effect of Inoculation of Lactobacilli for Whole-plant Rice Silage 163-169

Short Report

SUNOHARA, Y. and H. IKEDA Effect of Exogenous Ethylene on Leaf Morphology in Broadleaf Plantain (Plantago major L.) 174-176

Practical Reports

HAYAKAWA, Y. Management of Grazing Land for Race-horse in Japan An Over Luxuriant Growth Area in "Hidaka-no-Sawa" 177-182

KANNO, T., T. KAWAKAMI, Y. YOSHIMURA, S. UOZUMI, M. C. M. MACEDO, T. NAKAMURO and E. FUKUDA On-Farm Trial for Pasture Establishment on Wetlands in the Brazilian Savannas 183-188

Japanese Society of Grassland Science

c/o National Institute of Livestock and Grassland Science,
768 Senbonmatsu, Nishinasuno, Tochigi 329-2793, Japan

日本草地学会 329-2793 栃木県那須郡那須町千本松63 畜産草地研究所（那須）内
