Greetings from Chairperson of the 14th IBRC

Prof. Aleksandra Zebrowska, PhD
Chair of the Organizing Committee of the International Conference “Rehabilitation in XXI Century - Aging and Life Course”

Greetings from chairperson of organizing committee of the the 14th International Conference on International Biophilia Rehabilitation Academy (IBRC 2017)

Dr hab. Aleksandra Zebrowska, Professor of Department of Physiological and Medical Sciences, Academy of Physical Education, Katowice, Poland

On behalf of the organizing committee, it is my great pleasure to welcome you to The 14th International Conference on International Biophilia Rehabilitation Academy. IBRC 2017 will be held from the 6th to 7th October, 2017 in Ustron, Poland.

The IBRC 2017, which is held every year, follows the successful tradition of the previous meetings in Warsaw, Poland, Seville, Spain, Chieti, Italy, Tokyo, Japan, and the last year in Geneva. IBRC provides an ideal academic platform for researchers to present the latest research findings and describe rehabilitation methods as well as directions in Rehabilitation and Physiotherapy Sciences issues. The conference seeks to contribute to presenting novel research results in all aspects of Rehabilitation of the aging, Neuro-, and Cardiopulmonary Rehabilitation.

The conference aims to bring together leading academic scientists, researchers and research scholars from around the world to exchange and share their experiences and research results about all aspects of Rehabilitation in the XXI Century.

The scientific program will focus on current advances in the research, methods, and use of rehabilitation equipment. The conference's goal is to provide a scientific forum for all international prestige scholars around the world and enable the interactive exchange of knowledge. The conference will focus on evidence-based benefits proven in clinical trials and scientific experiments.

I hope you will join us at the conference and have a great time in our mountains resort of Ustron, located in the south of Poland, where the unique mountain climate and picturesque location in the Beskidy mountain range promote both relaxation and physical activity. Along with the members of organizing committee, I look forward to meet you in the Ustron Health Resort, coming October.

With very kind regards,
