SYSTEMS, CONTROL AND INFORMATION

Vol. 56 No. 1 JANUARY 2012

CONTENTS

Foreword
Message from President .............................................. Toshiharu Sugie 1

Special Issue on Ambient Intelligence and its Applications

Introduction
Ambient Intelligence and its Applications
.......................................................... Takashi Nishiyama and Ryoji Nakajima 2

Expository Articles
Recognizing Situations of Human Interaction in Usual Office Environment
for their Selective Distribution towards Ambient Intelligence
..................................................... Kohi Kakusho, Yuki Kizumi, Chigusa Kako,
Takeshi Okadome, Takuya Funatomi and Massaki Iyama 8

Owens Luis
---A Proposal of a Smart Office Chair using Ambient Environment Control
Kiyoshi Kiyokawa, Masahide Hatanoaka, Kazufumi Hosoda, Masashi Okada,
Hironori Shigeta, Yasumori Ishihara, Fukuhiro Ooshita,
Hirotatsu Kakugawa, Satoshi Kurihara and Koichi Moriya 14

An Approach to Applying Ambient Technologies to Home Environments
........................................................ Takashi Nishiyama, Ryoji Nakajima,
Tomoharu Nakahara, Nobuhiko Michi and Tetsuo Sawaragi 21

A Rule-based Power Management System for Power Consumption Reduction
..................................................... Tomoki Yoshisasa, Naotaka Fujita and Masahiro Tsukamoto 27

Entertainment Computing by Everyday Things
............................................................ Hiro Shio 33

Questions and Answers
What is Ambient Intelligence?
.......................................................... Yasuyuki Sumi 39

Editorial Essay .................................................. Tomohiro Ozaki and Takashi Nishiyama 41

Lecture
Object Oriented Numerical Computation—VI
Evaluation of Object Oriented Numerical Computation
........................................................ Masanobu Koga and Kentaro Yano 42

International Conference
International Workshop on Coping with Crises in Complex Socio-Economic Systems 2011 (CCSS 2011) ............... Saori Iwanaga 50
