International Society of Life Information Science (ISLIS)

Society's Prizes

Winners of the 4th Society’s Prizes of ISLIS in 2003

July 27th, 2003

The winners of the 4th Society's Prizes of International Society of Life Information Science (ISLIS) in 2003 were chosen after a careful and precise consideration as follows:

**Excellent Paper Prize**

No winners.

**Promotion Prize**

Tong ZHANG, Weizhong CHEN, Hideo YOICHI, Kimiko KAWANO, Hideyuki KOKUBO, Mikio YAMAMOTO and Nobuo FUKUDA (non-member; non-recipient)

Title: Correlations between Cardiac Variability and Alpha/Theta Activities of EEG during Qigong Task

**Meritorious Activity Prize**

Dr. Kazutake KOHRA
Professor Emeritus, University of Tokyo, Japan
Professor Emeritus, High Energy Accelerator Research Organization, Japan
Chairman of the Board of Directors, International Research Institute (IRI)
Chairman of the Board of Directors, Comprehensive Research Organization for Science and Society, Japan
President, Tsukuba Institute of Science Technology, Japan

**Meritorious Activity:**
Dr. Kohra has been an Academic Advisor of the ISLIS and a Chairman of the Board of Directors of the International Research Institute (IRI). He has promoted the developments of this field with extreme vigor.

Dr. Tokuro NOBECHI
Former Director, St. Luke's International Hospital, Japan
Vice Chairman of the Board of Directors, International Research Institute (IRI)
Honorary Member, Japan Radiological Society
Honorary Member, German Roentgen Society

**Meritorious Activity:**
Dr. Nobechi has been an Academic Advisor of the ISLIS and a Vice Chairman of the Board of Directors of the International Research Institute (IRI). He has widened widely this field through many experiences of his own and promoted its developments.

Dr. Humio INABA
Professor Emeritus, Tohoku University, Japan
Professor Emeritus, Tohoku Institute of Technology, Japan
Former Chairman, 130th Committee on Optoelectronics, Japan Society for the Promotion of Science
Former Director, Biophotonics Information Laboratories, Inc., Japan

**Meritorious Activity:**
Dr. Inaba has been an Academic Advisor of the ISLIS since its foundation. He has developed research for bio-photons and promoted this field widely.
Dr. Yasuo YUASA

Professor Emeritus, Obirin University, Japan
Current Vice President and Former President, Society
for Mind-Body Science
Advisor, Society for Transpersonal Psychology &
Psychiatry
Advisor, Japan Medical Society of Ki (Eastern Medi-
cine)
Advisor, Japan Association of Clinical Studies for
Mind & Body

Meritorious Activity:
Dr. Yuasa laid the groundwork for this field in Japan
and founded the Society for Mind-Body Science.
He has been an Academic Advisor of the ISLIS since
its early days. He has enormously contributed to pro-
moting this field.

Dr. Tokinori WATANABE
Professor Emeritus, Nippon Medical School, Japan
Honorary President, Japan Institute of Hypnosis
Honorary Member, Medico-Legal Society of Japan
Honorary Member, Nippon Medical School Alumni
Association, Japan

Meritorious Activity:
Dr. Watanabe has been a Honorary President of the
Japan Institute of Hypnosis. He has also been an Aca-
demic Advisor of the ISLIS and contributed enormously
to this field by giving much useful advices.

Dr. Xin CHEN
Professor, Former Director, Institute of Space Med-
ico-Engineering, China
Academician, International Academy of Astronautics,
China
Former President, Chinese Society of Somatic Science

Meritorious Activity:
Dr. Xin has promoted the study in this field as a Presi-
dent of the Society of Somatic Science in China.
He has contributed to making international exchange
with Japan and other countries and to promoting this
field as an Academic Advisor of the ISLIS.
