Cover of This Journal

Cover design is by Mikio YAMAMOTO and Masako NISHIKAWA. ISLIS mark design is by Kimiko KAWANO.

Images on the Cover

Top: frightened expression

Alpha-wave power maps of a qigong master's brain during qigong (Left: left side view, Center: top view, Right: right side view) (by Mikio YAMAMOTO, Masahiko HIRASAWA and Kimiko KAWANO).

Middle: Positron emission tomography (PET).

Three dimensional tomographic view of the energy metabolism glucose (FDG). Glucose consumption is high in the cortical mantle and deep brain structures. (Left: coronal cross section of the brain, Center: axial cross section, Right: sagittal cross section) (by Masatoshi ITOH).

Bottom: Thermography.

Left: Before qigong healing (female patient). Center: Under healing (hands of the left side belong to a qigong master). Right: End of the healing (by Yoshio MACHI).
