CALL for PAPERS Presented at the 55th Symposium on Basic Science of Ceramics

We are pleased to inform you that papers presented at the 55th Symposium on Basic Science of Ceramics (http://kiso55.okayama-u.ac.jp/) are eligible to be published in a Specially Scheduled Issue of the Journal of The Ceramic Society of Japan after a standard peer review process and a decision of acceptance by the Editor-in-Chief. Presenting authors and co-authors are encouraged to submit their papers by March 31st, 2017. Accepted papers are expected to be published by the 1st of September 2017. For this Specially Scheduled Issue, we will accept manuscripts with wide ranging research topics concerning basic science and technology of ceramics. We welcome manuscripts for full papers, reviews, technical reports, notes and express letters.

The submission process is described on our website at http://www.ceramic.or.jp/ihensyuj/kitei-e.pdf (in English). To submit a paper, access http://mc.manuscriptcentral.com/jcsj (in English) and follow the submission process below:
