Fig. 2 Giant aneurysm of superior hypophyseal part of right ICA

2A: DSA showing giant aneurysm of superior hypophyseal part of right ICA
2B: Different view
2C: 3D-CTA of Fig. 2A
2D: 3D-CTA showing relation of aneurysm to anterior clinoid process
2E: Aneurysm aspiration after trapping
2F: Aneurysm reconstruction
2G: Endoscopic view of postreconstruction of parent artery
2H: Postoperative 3D-CTA. Sufficient circulation was obtained.
ICA: internal carotid artery    DSA: digital subtraction angiography
