CONTENTS

SPECIAL ISSUES／Recent Advances in Neuromodulation *1
Editor-in-charge : Takaomi Taira, Isao Date
Deep Brain Stimulation for Movement Disorders .......................... Chikashi Fukaya, et al 80
Gene Therapy for Parkinson’s Disease .................................. Ken-ichi Fujimoto 87
Neuromodulation Therapy for Neuropathic Pain ......................... Hidehiro Hirabayashi, et al 93
Surgical Management of Spasticity ........................................ Toshiyuki Sasaki, et al 103

LEARNING OLD CREATING NEW .................................................. Kazuo Watanabe 112

SPECIAL ARTICLES／Build up of Academic Skills in Education of Neurosurgeons *2
Editor-in-charge : Michiyasu Suzuki, Koji Iihara
Significance of Basic Research in Education for Neurosurgeons .......... Isao Date 115
Significance of Clinical Research in Education for Neurosurgeons ......... Kiyohiro Houkin 123
Developing the Young Academic Neurosurgeon :
A United States and Emory University Perspective ........................... Gerald E. Rodts, Jr. 129

CASE REPORTS
Optic Nerve Hemangiblastoma removed after Embolization of the Ophthalmic Artery :
A Case Report ................................................................. Hidehiro Shima, et al 133

Article Presented at the 30th Annual Meeting of the Japanese Congress of Neurological Surgeons : *1"Neuromodulation", *2"Build up of Academic Skills in Education of Neurosurgeons"

Official Journal of the Japanese Congress of Neurological Surgeons
