Japan Journal of Physical Education, Health and Sport Sciences

Contents

Review
195 Kazuyuki Taketani
   A historical overview of the studies on Basque sport culture
209 Koji Takenaka and Hiroaki Uechi
   Self-efficacy measures in physical activity- and exercise-related studies

Original investigation
231 Kenichi Kato, Rei Satoh, Toshiko Uchihara, Masaaki Sugita, Kando Kobayashi and
   Susumu Okano
   The optimal sprint distance for elementary school sprinters
243 Yuji Yamamoto
   The influence of a complex hitting action on performance: dynamical systems
   perspective
253 Jun Inoue, Tomomi Suzuki, Natsumi Nakamura, Hiroyuki Oda, Takeshi Nagasawa and
   Tatsuo Iwakabe
   Relationship between anaerobic power on rebound jump and sprint running performance
   in track and field athletes

Research Problem
263 Koji Takenaka
   Great works are performed by perseverance: roles of self-efficacy to physical activity
   and exercise adherence
