CONTENTS

A New Surgical Technique for Creation of an Atrial Septal Defect with Surgical Steel Wire
—An Experimental Study— Yutaka Kotsuka, et al. (567)

Nonspecific Cholinesterase Staining for Supportive Diagnostic Method of Hirschsprung’s Disease Hiroshi Horie, et al. (573)

A Histopathological Study of the Intrahepatic Bile Ducts in Biliary Atresia Eiichi Deguchi, et al. (582)

The Experimental Studies on Increase of Blood Flow to Tumor Tissue by Angiotsin II Naomi Ohnuma, et al. (589)

Experimental Anomalous Arrangement of the Pancreatico-Biliary Ductal System —Differences Due to the Age Factor of Canine Models— Shiro Tsuge, et al. (595)

Surgical Treatment for Mitral Valvular Disease in Children Tomio Abe, et al. (601)

Surgical Repair of Congenital Mitral Valve Disease in Infancy and Childhood Goki Shindo, et al. (612)

Management of Hirschsprung’s Disease in the Neonate Hiroshi Akiyama, et al. (622)

The Time of the First Stool in 39 patients with Hirschsprung’s Disease and 2,471 Normal Neonates Takeshi Kawanaka, et al. (634)

Tracheomalacia with Esophageal Atresia Mami Asaishi, et al. (640)

Manometric Studies on Motility of the Ano-rectum after Rectoplasty with Posterior Triangular Colon Flap for Hirschsprung’s Disease Yoshihide Tsukamoto (645)

Our Concept on the Etiology of Congenital Biliary Dilation Takeshi Miyano, et al. (659)

Intestinal Malrotation Yasushi Suganuma, et al. (669)

Hepatic Herniation through the Foramen of Morgagni in a Neonate Shinji Fukuchi, et al. (678)

Thyroid Carcinoma of A Mother and Her Son —A Case Report and Review of Literature of the Thyroid Carcinoma in Childhood— Kunio Takano, et al. (686)

Open Heart Surgery for Atrial Septal Defect and Pulmonary Valvular Stenosis Associated with Alagille’s Syndrome —A Report of a Case— Yutaka Ohkita, et al. (695)

Congenital Ileal Atresia Characterized by Giant Abdominal Mass with Calcification —Report of a Case— Yozon Fuse, et al. (703)

Multiple Pyogenic Liver Abscess in an Infant Treated Effectively by US Guided Puncture Toru Ichikawa, et al. (709)

A Case Report of Bronchogenic Fibrous Histiocytoma in Children Teiji Takahashi, et al. (714)

A Case of Meconium Disease in Premature Infant with Very Low Birth Weight Gohei Ochi, et al. (720)
