CONTENTS

The Journal of the Japan Society for Respiratory Endoscopy
Vol. 32, No. 1 January 2010

Original Articles
Analysis of 6 Cases with Advanced Lung Cancer Diagnosed
by Thoracoscopy with a Flexible Bronchoscope ........................................ Hiroyasu Nagakawa, et al. ............................... 9
Causes and Prognosis of Diffuse Alveolar Hemorrhage ......................... Kimihiko Murase, et al. ............................... 14
Airway Stenosis Treated by Long T-tube Insertion
for Tracheal Stenosis ........................................................................ Ken Takeuchi, et al. ............................... 22

Case Reports
A Case of Coexisting of Congenital Bronchial Atresia and
Bronchial Diverticulum ......................................................................... Ryoji Kawano, et al. ............................... 27
Successful Treatment of Refractory Bronchial
Hemorrhage with Bronchial Occlusion
Using Endobronchial Watanabe Spigot ........................................ Miwa Sugahara, et al. ............................... 32
A Case of Endobronchial Metastasis of Renal Cell Carcinoma
Responding to Ethanol Injection Therapy ........................................ Yoshihiro Kanemitsu, et al. ............................... 36
A Case of Localized Nodular Pulmonary Amyloidosis ....................... Kimiyasu Sano, et al. ............................... 41
A Case in Which a CT-guided Transbronchial Lung Biopsy
with Concurrent Use of a Navigation System and
a Thin Bronchoscope Was Useful in Diagnosing
Small Peripheral Lung Adenocarcinoma
Complicated by Interstitial Pneumonia ........................................ Yasuyuki Mizumori, et al. ............................... 47
A Tracheal Pleomorphic Adenoma Successfully Resected
by a Thin Gastroduodenoscope .................................................. Kimihiko Murase, et al. ............................... 52
A Case of Pulmonary Manifestation of Sweet's Syndrome
Associated with Myelodysplastic Syndrome ................................ Takashi Ogawara, et al. ............................... 57
A Case of a Metastasis of Uterine Cervical Cancer
Developing from a Bulla ................................................................ Yojiro Yutaka, et al. ............................... 62
A Case of Epithelioid Hemangioendothelioma Diagnosed
by Computed Tomography-guided Bronchoscopy ......................... Ryo Koyama, et al. ............................... 67
A Case of Pulmonary Epithelioid Hemangioendothelioma
Diagnosed by Transbronchial Lung Biopsy ................................ Chihiro Miwa, et al. ............................... 72
