The Journal of the Japan Society for Respiratory Endoscopy
Vol. 35, No. 3 May 2013

Report
Bronchoscopic Practice in Japan: A Survey by the Japan Society for Respiratory Endoscopy in 2010 (Secondary Publication) ..........Fumihiro Asano, et al. ........243

Original Article
Patient Tolerance of Chest Tube Removal on the Same Day as Diagnostic Thoracoscopy Under Local Anesthesia ...............Shozaburo Yamaguchi, et al. ........254

Case Reports
A Case of Excessive Dynamic Airway Collapse (EDAC), Treated with Continuous Positive Pressure Ventilation ..................Kazuya Tone, et al. ..........259
A Case of Propylthiouracil-Induced Lung Injury Presenting Infiltrative Opacities in the Right Lower Lobe with a Persistantly High Titer of Serum ANCA ..........................Takashi Oki, et al. ..........265
Two Cases of Successful Bronchoscopic Intervention for Bronchial Stump Fistula with Polyglycolic Acid Sheet and Fibrin Glue .................................................................Masaki Kawamura, et al. ..........271
Airway Occlusion Caused by Tumor Necrosis After Chemotherapy with Bevacizumab ..................................................Rei Kobayashi, et al. ..........277
A Case of VATS Segmentectomy Performed for Mucoepidermoid Carcinoma Associated with Obstructive Pneumonia .........................Yumi Hino, et al. ..........281
A Case of Displaced Right Upper Bronchus Bifurcating from the Right Middle Lobe Bronchus with Cryptogenic Organizing Pneumonia ....................................Takeshi Orihashi, et al. ..........291
A Case of Congenital Bronchial Atresia Diagnosed by 3D-CT ..........................................................Yoko Kida, et al. ..........296
A Case of Mediastinal Castleman Disease Diagnosed by Surgery ..................................................Keita Takeda, et al. ..........300
A Case of Follicular Lymphoma Diagnosed by Endobronchial Ultrasound-guided Transbronchial Needle Aspiration (EBUS-TBNA) ..........................................................Hiroyuki Minemura, et al. ..........310
A Case of MPO-ANCA-positive and PR3-ANCA-negative Granulomatosis with Polyangiitis ........................................Katsutoshi Ando, et al. ..........315
Idiopathic Bronchial Artery-Pulmonary Artery Fistula with Recurrent Hemoptysis .................................................Daisuke Taniyama, et al. ..........321
