Vol. 35, No. 4 July 2013

Report

Case Reports
A Case of Endobronchial Hamartoma with Bronchiectasis, Mimicking Lung Cancer ................................................. Aya Hirooka, et al. .......... 376
A Case of Endobronchial Metastasis from Laryngeal Cancer Removed by Bronchoscopic Electrosurgical Snaring ............ Hidekazu Tachi, et al. .......... 381
A Case of Bronchial Foreign Body Which Occurred by Bronchoscope Coating Becoming Detached and Falling into the Bronchial Lumen During the Procedure .......... Junzo Ishida, et al. .......... 392
Lung Squamous Cell Carcinoma Detected Only by Histology Despite Disappearance of the Nodule on Chest X-ray After Bronchoscopy ......................................................... Hiromichi Niikawa, et al. .......... 397
A Case of Relapsing Polychoondritis Presenting with Costochondritis and Pleural Effusion ................................. Masahiro Masuo, et al. .......... 402
A Case of Primary Endobronchial Plasmacytoma .................. Tsutomu Marui, et al. .......... 409
A Case of Amniotic Fluid Embolism with Alveolar Hemorrhage During Induced Artificial Abortion ......................... Yukihsa Inoue, et al. .......... 418
A Case of Localized Pulmonary Emphysema at the Area of the Right Displaced Segmental Bronchus (B3) ................... Hidehisa Hoshino, et al. .......... 424
A Case of Endobronchial Tuberculosis Due to Lymph Node Perforation ......................................................... Hideaki Yamakawa, et al. .......... 430

Text of Seminar for Bronchoscopy
History of Flexible Bronchoscopy (Flexible Fiberoptic Bronchoscopy) ......................................................... Ryuta Amemiya, et al. .......... 435
Basic Maneuver and Recommended Anesthesia in Bronchoscopy ............................................................... Yoshinobu Ohsaki .......... 448
How to Analyze the Bronchoscopic Findings for Non-neoplastic Diseases .................................................... Hideo Kobayashi .......... 450
Safety Management and Emergency Procedure in Respiratory Endoscopy .................................................... Shinji Sasada .......... 454
