The Way to Rio

MITSUTERU MURAKAMI*

*Japan Boccia Association, Tokyo, Japan

Although Boccia is a type of target sports, factors such as the ingenious form of pitching, ingenuity in handling the ball, tactics, techniques, and the rules make it a very exciting sports that let you think of the different layouts of the ball. Since Boccia is a Paralympic event, it is often perceived as a sport for people with disabilities, however, the essence of Boccia is that anyone including people without handicaps can genuinely enjoy the sport.

Key words: Boccia, Paralympics, strategy
