Correction to Paper by R. Sato "The Torsional Free Oscillation of the Earth due to a Dislocation"

By

Ryosuke SATO

Geophysical Institute, Faculty of Science, University of Tokyo

In vol. 17, No. 2, 1969, issue of the Journal, the following corrections should be made:

Page 112,

1. equation (3), insert γ_{lm} after the summation symbol, $\sum_{l=0}^{\infty}$.

2. column 1, after explanation of $\varepsilon_l^{n,m}$, $\zeta_l^{n,m}$, insert $\gamma_{lm}=6/(l+m)(l+m+1)$.

3. equation (8), insert γ_{lm} after the sum-

mation symbol.

4. equation (13), insert γ_{lm} after the summation symbol.

Page 113,

5. equation (16), insert γ_{lm} after the summation symbol.

6. equation (19), insert γ_{lm} after the summation symbol.
