Paper Title: **Convenient screening of 4-hydroxyphenylpyruvate dioxygenase inhibitors by UV absorbance detection in the presence of Fe^{2+} ion**

Authors: Yumi IKEDA, Ryuta OHNO and Yukiharu SATO

Caption of Fig. 1 on page 324 was missing.

The correct version is as follows.

Fig. 1. Changes in UV absorbance of compounds tested in the presence of Fe^{2+} : A tested compound (2×10^{-5} M) with no Fe^{2+} (-----), with 1.2×10^{-5} M (— · —), with 1.6×10^{-5} M (·····) or with 2×10^{-5} M (——).
