Erratum

Plasmon analysis in the *Triticum-Aegilops* complex

Koichiro Tsunewaki*

Nishi-ku, Kobe, Hyogo 651-2276, Japan

Due to technical problems Fig. 6 was incorrectly published. Therefore, we herewith would like to publish the correct figure.

*Corresponding author (e-mail: kkcqn875@yahoo.co.jp)
Fig. 6. Phylogenetic relationships between the diploid, tetraploid and hexaploid species based on their genome-plasmon constitutions (after Tsunewaki 1996, modified). Inner and outer circle: genome and plasmon symbol, respectively. Modified genome: underlined.
