Erratum

Materials Transactions, Vol. 61, No. 11 (2020) pp. 2201 to 2207

Ruka Matsuda, Masashi Matsuura, Nobuki Tezuka, Satoshi Sugimoto, Takashi Ishikawa and Yukinobu Yoneyama

In the above paper, a mistake was discovered after publication.
In the “Experimental Procedure” section in p. 2202 line 5, nitriding condition of “430°C for 22 h” was incorrect. The correct nitriding condition is “450°C for 24 h”. Here, we should note that this erratum does not influence on the results and discussion of this paper.
